The Team

warm & fuzzies

Our fur faces are not just pets, they are family members & they help so many of us in different ways, especially during these past few years.

bo came into my life in spring of 2021 and he is not just my gorgeous bff, he's also the inspiration behind fur face & co.

Together we are on a mission to raise money for worthy K9 caused, awareness on the importance of CGC (canine good citizen) and spread love, smiles and cheers wherever we go.

So show off your fur face wherever you go, and when you take them with you, let them know how special they are with their own personalized gear.
